7 the seventh Lot its breadth att the n:w end is 19 rod att the s:e end is 21 rod
8 the breadth of the eighth Lot att west end is 18 rod att east end 20 on road
9 the breadth of the ninth Lot att each end is 18 rod the breadth of the
10 tenth Lot att the n:w end is 17 $\frac{1}{2}$ rod att s:e end 19 on road 18 square
11 the breadth of the eleventh Lot att the n:w end is 20 rod att the s:e end 20 rod
12 the breadth of the twelfth Lot att the n:w end is 24 rod att the s:e end is 28 rod
13 the breadth of the thirteenth Lot att n:w end is 30 rod att the s:e end 30 rod
14 the breadth of the fourteenth Lot is att the n:w end 24 rod att the s:e end is 27 rod
15 the breadth of the fifteenth Lot att the n:w end is 19 rod att the s:e end is 19 rod
16 the breadth of the sixteenth Lot att the n:w end is 18 rod att the s:e end is
17 18 square rods on road the breadth of the seventeenth Lot att the n:w
end is 19 rod att the s:e end is 19 rod

18 the breadth of the eighteenth Lott att the nw end is 24 rod att the se end is $24\frac{1}{2}$ rod ^{square}
 19 the breadth of the nineteenth Lott att the nw end is $25\frac{1}{2}$ rod att the se end is $27\frac{1}{2}$ rod
 20 the breadth of the twentyth Lott att the nw end is $35\frac{1}{2}$ rod att the se end is 34 rod
 21 the breadth of the twentyfirst Lott att the nw end is $24\frac{1}{2}$ rod att the se end is 30 rod
 22 joining ne by on a high way
 22 there in number is one half share laying between Little River Cap. Dows
 Land & Lampreys Land & John Moulton Land. and a high way which wee
 Layed from the gate by Joseph pages orchard two rod wide till it comes
 to the Main road about 14 rod to south ward of Little River bridg there is
 one bend in sd way to the south ward said bend going 15 rod distand sw ward
 8 square from Lampreyse corner to a pine or stone
 then we Layed a high way from from the afore sd main Road begining
 a Little northward of Niles Bridg to fifolds yslnd and so on to Little Bores
 head two rod wide and the middle of the cart way as itt now goes to be the
 center of sd two rod way to fifolds yslnd
 Between the sd Road that goes to fifolds yslnd and the Main Road that goes
 from Niles Bridg to Little Bridg is Layed seven Lotts number 23: 24: 25: 26:
 27: 28: 29: the 23 Lott begining on the Main road neart the grate
 elm tree that stands a Little eastward of Little River Bridg and joining
 westly on sd main road till it comes 56 rod to the south ward of a heap
 of stones by the sd grate elm tree that stands a Little eastward of little river
 bridg the sd 23 Lott is bounded northly & eastly on Little River or Little
 River Marsh going about 82 rod long on the south side the south east
 corner bound going acke on the bank att the lower grate turn of
 Little River. the 24: 25: 26: 27: 28: 29: Lotts is bounded westly on the
 said Main Road that goes to Little River Bridg the eastly ends of said
 Lotts is bounding on Little marsh & on the fence of Lampreys marsh - -
 part of the 29 Lott on the east end. joins to Low Land belonging to fifolds
 yslnd the southly side of sd 29 Lott Layed joining to the Road that goes
 to fifolds yslnd the 24 Lott breadth att the west end is 26 rods the
 east end part on the lower turn of Little River and part ure 18 rod on
 25 Little river Marsh the 25 Lott breadth att the west end is 25 rod att the east end
 is 22 rod
 26 the breadth of the 26 Lott att the west end is 25 rod att the east end is 24 rod
 27 the breadth of the 27 Lott att the west end is 32 rod att the east end is 28 rod
 28 the breadth of the 28 Lott att the west end is 40 rod att the east end is 21 rod
 29 the breadth of the 29 Lott att the west end is 57 rod att
 the east end is 28 rods

on the north gide of the grata meadow is Layed two Lotts number 33: & 34
 the 33 Lott Layed joining swly on the grata meadow and on niles from
 the main Road near niles bridg till it comes with in one rod of a popple
 tree standing on the east end of sd grata meadow bounding swly on the
 Road that goes from niles bridg to fifolds yslnd 60 rod to a stake and from
 sd stake to run S: E: ly 100 rod on a straight line to another stake standing
 49 rod ne ward of the afore sd popple tree bounding n. e. ly & s. e. ly on the
 two last mentioned lines - -
 a high way begining att the main Road on the first hill and running
 over the lower way of Niles where the carts go over - and continues on
 till it comes to North end of the Little river green and east to the sea -
 The north side of the afore said high way is on the following
 Corsses and Distances viz begining on the first hill as afore said first
 south 75 deg east 14 rod then south 62 degres east 78 rod then south 85 degres
 & 125 rod to niles and on the same corso 16 rod more - then north
 75 degres east 14 rod - then south 81 degrees East 28 rod - then south
 53 degres east 24 rod - then north 71 degrees East 31 rod - then north 55
 degrees east 23 rod to the north west of the grata cliff of Rocks - -
 then south 75 degrees east 36 rod to the north end of the 37 Lott
 then East 25 rod then south 59 degrees East 4 rod then on the North
 end of Little River groen East to the sea - -
 then a high way of one rod wide begining on the west side of said way
 13 rod to the south ward of the turn of sd way that is Layed to the sea
 said turn being made on the north of said grata cliff of Rocks: and said
 way way of one rod wide runs to the east end of the grata meadow of
 on the north side of popple tree afore mentioned
 from said popple tree a straight line to an oke stump standing
 att the south east corner of the corne of Marsh which layeth west
 ward of Smiths point & joining to itt
 34 The 34 Lott joining south westly on the the 33 Lott north westly on
 the Road that goes from niles to fifolds yslnd till it comes to a stake
 to the east pug att the west end of fifolds yslnd & north eastly
 on Little river marsh south eastly on the afore said line
 from said popple to said oke stump which line is the
 south eastly buttoment of the 33 Lott also

35 the 35th Lott Layeth bounding south westerly 18 rod on the said way one rod wide which is layed to the grage meadow as a fore said bound North westerly on the line from the popple to the oke stumps aforesaid bound north easterly on Little River marsh taking in Smiths point going about 28 rod wide against the afore said oke stumps

36 next adjoining is the 36 Lott bounding south westerly 16 rod on the afore said way of one rod wide - north easterly on Little River marsh - southly on the afore said way that leads from lower way nilas jd road runs on to the sea on the north end of jd 37 Lott

37 the 37 Lott bounding easterly on the said - southly on the fence that goes from Tucks mill to Little River taking in Little River groen on the southly end by the fence taking in six rod of the meadow west of the upland of the groen - the northwest corner bounds of this 37 Lott stands 36 rod distant from the turn of the way on the north of said Clift of Rocke the cross from said turn to itt is south 75 degrees east bounding northly on jd way on the north end of the groen afore said

38 next Adjoining westerly to the jd 37 Lott is the 38 Lott bounding southly 34 rod on the fence that goes from Tucks mill to Little River bounding northly 54 rod as the way goes on jd high way going from the lower way of nilas to Little River groen

39 the next Lott Adjoining westerly is the 39 Lott bound southly on said fence going from Tucks mill to Little River forty five rod northly on jd way going from the lower way of nilas to Little River groen fifty three rod - the next Lott Adjoining

40 westerly is the forty th Lott bounding southly forty five rod part on jd fence going from Tucks mill to Little river and part with in one rod of the mill and froom and stroom below the mill northly on jd way going from the lower way of nilas to Little River groen westerly part on Tucks Dam or mill pond and part on nilas

41 the forty first Lott is bounding Northly on the grage meadow from nilas to the popple tree afore mentioned

Standing on the easterly end of the grage meadow bounding easterly 34 rod on the afore jd way of one rod wide that goes from the way layed to Little river groen - southly on jd way that goes from the lower way of nilas towards Little river groen bounding westerly fourteen rod on nilas from the north westerly corner then leaving nilas westward of it on a line to a stake near an oke stump then from jd stake on a line to a stake standing by the way att & lower way of nilas on the East side of nilas

30 the thirtieth Lott is bounding north easterly on nilas from two rod below the bridg att nilas along by the grage meadow to a stake standing about sixteen rod to the south ward of a pine jd stake standing near wher nilas comes out of jd grage meadow bounding north westerly on the main road that goes by nilas bridg eighty four rod to a stake

31 the next Lott Adjoining southly is the thirty first Lott bounding westerly on the afore jd main road forty rod bounding easterly on part of the westerly end of jd forty first Lott afore jd from the north westerly corner of jd forty first Lott twenty four rod ^{att mill end} to a stake

32 the next Adjoining southly is the thirty second Lott bounding westerly on jd main road fifty five rod easterly on the westerly end of jd forty first Lott twenty eight rod joining southly on the afore said high way going from the first hill to the lower way of nilas

the forty forth forty fifth forty sixth Lott are bounded westerly on the afore jd main road - the said 44th Lott is bounded 28 rod on jd main road is bounded easterly part on nilas and part on Tucks mill pond its southly bound by jd mill pond stands forty two rod to the south ward of jd most southly bond of way the said way that goes to jd lower way of nilas which bond is about 25 rod distant from nilas - said 44th Lott joining Northly to said way going from the first hill to the lower way of nilas

45 the next Adjoining southly is the 45th Lott is bound on the afore said main road 26 rod and one haff - bounding easterly Tucks mill pond 25 rod

46 the next adjoining southly is the 46th Lott and is bounding westly on said Main Road 27 rod bounding eastly on said mill pond 28 rod - at high way beginning att the Main Road afore said on the south west corner of Simon Dows Lott formerly sloopter and runs on the southly side of sd Lott 26 rod then run south 96 degrees East 20 rod then runs North 77 degrees East 30 rod then runs south 82 degrees East 40 rod then runs south 49 degrees East 12 rod to the Nook run where the cart way gone ouer then runs south 53 degrees East 46 rod then runs North 77 degrees East 40 rod then runs south 55 degrees East 52 rod to a stake near the fresh Meadow then runs north 49 degrees East by the meadow till it comes to the streent below the mill and then to tucks mill

the afore mentioned high way begining on the southly side of Simon Dows Lott att the Main Road to be two rod wide till it comes to the Nook run and then there to be three rod wide for the space of three rod in length for euer and from thence one rod and one half wide till it comes with in four rod of the streent below the sd mill and from thence to the mill gate

47 the forty seventh Lott in number is bounded westly on sd Main Road twenty one rod & one half bounded eastly on the afore mentioned way going from the Nook run to tucks mill 8 rod a small part on tucks pond west of foot dam joining northly part on the forty sixth Lott part on the foot dam and part on the forty second Lott

48 the next adjoining southly is the forty eighth Lott bounding westly on the afore sd Main Road 22 rod bounding eastly on sd way going from the Nook run to tucks mill 21 rod

49 the next adjoining southly is the forty ninth Lott bounding westly on sd main road eighteen rod & one half bounding eastly on said way leading to tucks mill 25 rod

50 the next adjoining southly is the fiftyth Lott bounding westly on said Main Road 21 rod and two thirds bounding eastly on sd way leading to tucks mill about 39 rod

42 the forty second Lott is bounding northly on tucks mill pond from the eastly end of the foot dam to the mill gate and from the mill gate to the mill way and is bounding southly and eastly on sd way leading to tucks mill bounding westly on part of the 47 Lott on a line from the east corner of the foot dam to a stake standing on the north northly side of said way leading to tucks mill which is in neby bound off 47 Lott

43 the forty third Lott is bounded northly on sd way leading to tucks mill east and southly on the fresh Meadow in part southly on Samuel Dows river so called Extending westly on the southly part to a stake standing 2 rod eastly of a then sd stake marked & numbered 43 on the northly part to a stake standing by sd way leading to tucks mill about 24 rod eastly of the nook run on said way

poices
Layed to Little River groen being the 37 Lott a poice of Land joining on the northly side of Joseph Rodmans Land from the mouth of the Lane Down Eastly forty four rod to a stake joining northly on sd way leading to tucks mill 43 rod bounding westly on sd main Road from sd Rodmans corner to said way begining att the south west corner of sd Dows Lott leading to tucks mill

2 next adjoining eastly is a poice of Land added to the thirty sixth Lott bounding southly part on sd Rodmans pasture & part on palmers pasture thirty rod bounding northly on sd way leading to tucks mill thirty two rod joining eastly to a way of 12 feet wide said way of 12 feet wide begins att the way that leads towards tucks mill runs to the fence on the north side of palmers pasture for the palmers to go to their pasture and not to be an open road

3 a poice of Land layed out and added to the 35. Lott bounding northly on sd way leading to tucks mill 21 rod southly on palmers pasture 21 rod westly joining to said way of 12 feet wide

4 next adjoining is a poice of Land layed & added to the 38 Lott bounding northly on sd way leading to tucks mill 12 rod southly on palmers pasture 15 rod

5 next adjoining is a poice of Land layed and added to the 33 Lott bounding northly on sd way that leads to tucks mill 15 rod southly on palmers pasture or the river by sd pasture 16 rod square breadth

6. next Adjoining is a poice of Land Layed and added to the 34 Lott bound
ing northly on $\frac{1}{2}$ way leading to Pucks Mill 8 rod part on each side
of the nook run bounding southly on $\frac{1}{2}$ River by palmer peigour
or by Sam'l Dows Bridg its square breadth att this end is 10 rod

7. next Adjoining is a poice Layed and added to the 39 Lott bounding
Northly on $\frac{1}{2}$ way to tucks mill 9 rod southly on $\frac{1}{2}$ river near Sam'l Dows
xx Bridg 10 rod

8. next adjoining is a poice Layed & added to the 40th Lott bounding
Northly on $\frac{1}{2}$ way leading to Pucks mill 9 rod southly on Sam'l Dows
River. 8 rod square breadth att this end, joining to the 43 Lott

9. there is also Layed and added to the 37 Lott a poice of land of
about $\frac{3}{4}$ of one acre Layed between the S.E part of Simon Dows
Lott and the way going to tucks Mill joining southly 20 rod on $\frac{1}{2}$
way from where said way first leaves Simon Dows old Lott to a
stake and from said stake bounding Eastly on a line to rock long standing
North wly and so on to a stake standing by Simon Dows aforesaid Lott
said rock and stake being near the bend or turn of the fence in the
low wet ground that is in the S.Ely part of $\frac{1}{2}$ Dows Lott the
last mentioned stake being a little Northly of $\frac{1}{2}$ turn

10. the next adjoining is a poice added to the 32^d Lott bounding Northly on
Land added to the 31 Lott 6 rod southly on $\frac{1}{2}$ way leading to tucks mill 2 rod
westly part on the poice added to the 37 Lott and part on Simon Dows Lott

11. the next adjoining Eastly is a poice added to the 27th Lott bounding North
ly on $\frac{1}{2}$ poice added to the 31st Lott 8 rod southly on $\frac{1}{2}$ way to tucks mill
7 rod the next adjoining Eastly is a poice added to the 29 Lott bound
ing North on $\frac{1}{2}$ Land added to the 31st Lott 8 rod Bounding southly
on said way leading to tucks mill 7 rod

12. the next Adjoining Eastly is a poice added to the 28th Lott bounding
Northly on the Land added to the 31 Lott 8 rod southly on $\frac{1}{2}$ way to tucks
mill 7 rod

13. next Adjoining Eastly is a poice added to the 26th Lott Bounding
Northly on the southly Line of the 50th Lott 10 rod southly on $\frac{1}{2}$
way to Pucks Mill 8 rod

15. the next Adjoining Eastly is a poice added to the 6th Lott Bounding
Northly on the southly Line of the 50th Lott 14 rod southly on $\frac{1}{2}$ way
to tucks mill 7 rod

16. next Adjoining Eastly is a poice added to the 30th Lott bounding Northly
on the southly Line of the 50th Lott 11 rod southly on $\frac{1}{2}$ way to tucks mill 10
rod

17. the next adjoining Eastly is a poice added to the half Lott number
22 Bounding Northly on the southly Line of the 50th Lott 14 rod
southly on $\frac{1}{2}$ way to tucks mill 14 rod
a poice added to the thirty first Lott bounding Northly on the southly
line of the fifty eth Lott 60 rod Westly on the main Road 43 rod $\frac{1}{2}$
takeing in all the gors between Simon Dows Lott and the main
Road bounding southly part on $\frac{1}{2}$ Dows & part on a Line on which the
Northly ends of the poices added to the 32: 27: 29: & 28th Lotts are bounded
at high way 3 rod wide begining att the end of the Lane by Benja
Compreys on the head of the Lotts and runs to Joseph Moultons
corner. the Land in the plains is layed out into 38 Lotts or poices.
the first poice n:1 is added to the first Lott and is bounded South wly
on $\frac{1}{2}$ way 10 rod the Length 27 rod runing N:E breadth att north
end 10 rod the n.s corner bound is by the main Road the south East
corner bound stands from Simon Dows House north 20 deg $\frac{1}{2}$ west
Distant 4 rod

2. the next adjoining Westly is a poice number 2 added to the 2nd Lott
bounding suly on $\frac{1}{2}$ way 8 rod runing N:Ely 28 $\frac{1}{2}$ iit. breadth att this
end 8 rod

3. the next Adjoining wly is a poice number 3 added to the 3^d Lott
bounding suly on $\frac{1}{2}$ way 8 rod the Length about 23 rod iit
breadth att n:E end is 8 rod

4. the next Adjoining Westly is a poice number 4 added to the 4th Lott
bounding South wly on $\frac{1}{2}$ way 6 rod its Length on the n:w side is
20 rod. breadth att n:sly end is 8 rod. a Line from the nw corner
bound of this 4th poice to the n:e corner bound of the $\frac{1}{2}$ first poice
to be the n:Ely buttment of all those 4 Lotts

5. the next Adjoining Westly is a poice number 5 added to the 5th Lott
bounding suly on the $\frac{1}{2}$ way about 10 rod n:sly on the falls Land
3 rod. the Length about 40 rod

6 The next adjoining wly is a poice addid to the fiftth lott and number six
bounding swly on sd way 8 rod North Ely on the falls Land 8 rod

7 The next adjoining wostly is a poice addid to the 7th lott of number 7
bounding swly on sd way 6 rod N.Ely on & falls Land 6 rod

8 Next adjoining wostly is a poice number 8 addid to the 8th lott bounding
swly on sd way 5 rod N.Ely on the falls Land 5 rod

9 The next Adjoining is a poice addid to the 9th lott and is number 9
bounding swly on said way 4 rod N.Ely on the falls Land 4 rod

10 The next adjoining wostly is a poice number 10 addid to the tenth lott
bounding swly ^{on sd way} 4 rod North Eastly on the falls Land 5 rod

11 The next adjoining wostly is a poice number 11 addid to the 11 lott Bounding
swly on sd way 6 rod N.Ely on the falls Land 6 rod

12 The next Adjoining wostly is a poice addid to the 12 th lott number 12
going 8 rod on sd way and 8 rod on the falls Land

13 The next adjoining wostly is a poice numbered 13 addid to the 13th
lott going 12 rod on sd way and 12 rod on the falls Land

Then a high way layed from the way att Joseph Moultons
corner runing by the second Division fence two rod wide till
it comes to the way that runs from the Main Road to the
second Division on the North Eastly end of the falls Land between
said way and the falls Land is eight poices numbered 14:15:16:
17:18:19:20:21: Each poice addid to the lott of its own number
the 19 poice laying norrest to Joseph Moulton is joining Eastly 13 rod part
on the falls land and part on the thirteenth lott swly on the way that
gos to Joseph Moulton's corner northwly on the way by the second Division
the 19:16:17:18:19: & 21 are 10 rod each on the falls land and 10

And this is the entry of the Lots with the
parties belonging to each of the Lots that have any
parties or parties added to them

Know all men by these presents that we Benjamin Lamprey for one part
Josiah Moulton & Morish Hobbs for one part Amos Knowls for one part Samuel
Palmer you^r for one part Thomas Brown for one part Joseph Batchelder for one part
Simon Dow & Stephen Batchelder for one part Christopher Page & James Hobbs
for one part Jeremiah Marston & Elisha Smith for one part John Batchelder
for one part Jeremiah Moulton & William Moulton for one part and Joseph
Rodman & his father in law Joseph Rawlings for one part are formerly
bound and obliged to the owners and proprietors of the first Division of the
five Division in Hampton in the just and due sume of one hundred pound
currant money of New England to be payed to the sd proprietors to their
agent or certain attorney to which payment well and truly to be made we
and each of us bind our selfe and our heires executors and administrators
firmly by these presents sealed with our seales this twelveth Day of June
Anno: Domini 1738 and in the twelveth yeare of his Majesties Reign
George the second King &c of grante Brittan

The condition of the above obligation is such that if the above bounden
persons or any of them their heires executors or Administrators do for ever here
after in the proper seasons of the year maintain a fence from Pucks mill to Little
Rivers old mouth so as to stop the cattle from coming that way on to the
land that then the above obligation to be null and void and of none
effect or else to stand and remain in full force and vertue
The within obligation signed and sealed on the day of the
date within written in presence of

Witnesses
